

COP26 VIRTUAL OCEAN PAVILION EXHIBITS

Coastal Zone Canada Association

Description

The Coastal Zone Canada Association (CZCA) is a nationally incorporated non-profit society of coastal zone management professionals committed to promoting Integrated Coastal Zone Management practices in Canada and abroad. The CZCA was incorporated in 1993 with the objective of sponsoring Coastal Management conferences and otherwise promoting improvements in Integrated Coastal Zone Management (ICZM) practices. Please refer to the videos section to view content from our recent Iqaluit 2021 conference. Planning is underway for our 2023 conference in Victoria, British Columbia.
