

COP26 VIRTUAL OCEAN PAVILION EXHIBITS

Youth4Ocean Forum

Description

The Youth4Ocean Forum assembles young Europeans passionate about the ocean and determined to make a change so that it remains healthy and sustainable. The Forum provides the youth with the opportunities to speak up for their generation, share their ideas, develop and promote their projects, and connect with like-minded young people and experts all over Europe. The Youth4Ocean Forum is supported by the Directorate-General for Maritime Affairs and Fisheries (DG MARE) of the European Commission and facilitated by Nausicaá, the World Ocean Network & Acteon.
